Notes on Capt. John Hawley.

9. It would appear that Amy Rogers spent her last days at the home of Capt. John of Richmond Wp. Co. Kenney, as listed under note (7)
10. Julia age 1, listed in note 8 may have been the first child of Wm. G⁴ and Matilda (Perry). Minnie was a child of Wm. G⁴, who d. y. It would appear that after John's wife Prudence died, he went to live with Wm. G⁴, his son, for the 1871 Census of Richmond Wp. Co. Kenney gives:

Hawley, Wm. G.	act 54, b. out. w. mth. Eng. dr. farmer, m.

- From this it also appears that Albert's⁴ first wife had died and he, with his two children were with Wm. G⁴ also.
11. Prior to 1871, John³ and his wife Prudence may have lived with Jacob Hawley² and his wife Eunice, but it is very doubtful.

Dear Mr Freeman,

I am greatly obliged to you for your letter of the 7th inst and its interesting contents. I have a "Hawley Record", a whole of a book in size & weight, but the information is very scrappy in details.

I have written in pencil on the enclosed sheets nearly all I can find about the children of Martin and Amy. I have not inserted the names of all the grandchildren, but 2 or 3 of interest. I myself was born in Napanee in 1863, was graduated at Toronto University in 1887, taught as assistant or Principal of High Schools in Ont. & Sask. for nearly 25 years & was Librarian of the Moose Jaw Public Library (costing \$110,000) for 27½ years until July 31, 1940, when I retired on that day & celebrated our Golden Wedding, and 2 days later started for this city to live with our daughter Enid who has been a H.S. teacher ^{very} for 16 years. We have one son Wm. S. of Okotoks, Alberta, who was the first from Western Canada to enlist in the Royal Flying Corps in 1917, as soon as the British opened a recruiting office in Ottawa. He has twins, Margaret & Campbell, who became 18 on the 20th of June, and on the 21st Campbell enlisted in the R.C.A.F. at Calgary & is now learning to fly here. There is a younger son 10 years old.

If you need more details about the offspring of Amy Rogers, I could give you the names, etc, of the Madden and Nix families & others of John's children but there is not much. Father was a brother, the youngest, of John, who started the furniture factory at Napanee about 136 years ago. My Grand mother, Prudence Welles, was descended from Gov. Thomas Welles of Connecticut 1659, & among his offspring are Sumner Welles, Undersecretary of State, Hon. Gideon Welles, Sec. of War under Lincoln, vice Admiral Welles in the war of 1814-1818, Gen. Roger Welles of an earlier date, etc. There are several of that family around the Bay of Quinte, & some out here. The Hawleys were and are numerous in Connecticut & intermarried with the Welles's, Dwight's, Scribners, etc. Gen. Joseph R. was Gov. of Conn., Senator of U.S., and President

of the Centennial Exhibition at Philadelphia in 1876, all of which may be interesting to us who can claim very little distinction except by reflection from those stars of the past. We must have some amusement however, and excursions into genealogy is one of them.

Did you ever see "Your Family Tree" by David Star Jordan, late president of Stanford Univ. in California? It is very well worth reading & traces the lineage of several hundred American celebrities.

You must know some of the Mix family. They lived at Presqu'Isle Point. Uncle Wm Gibbard lived about 3 miles north of Brighton.

Well, pardon my scribble and write again if I can help you.

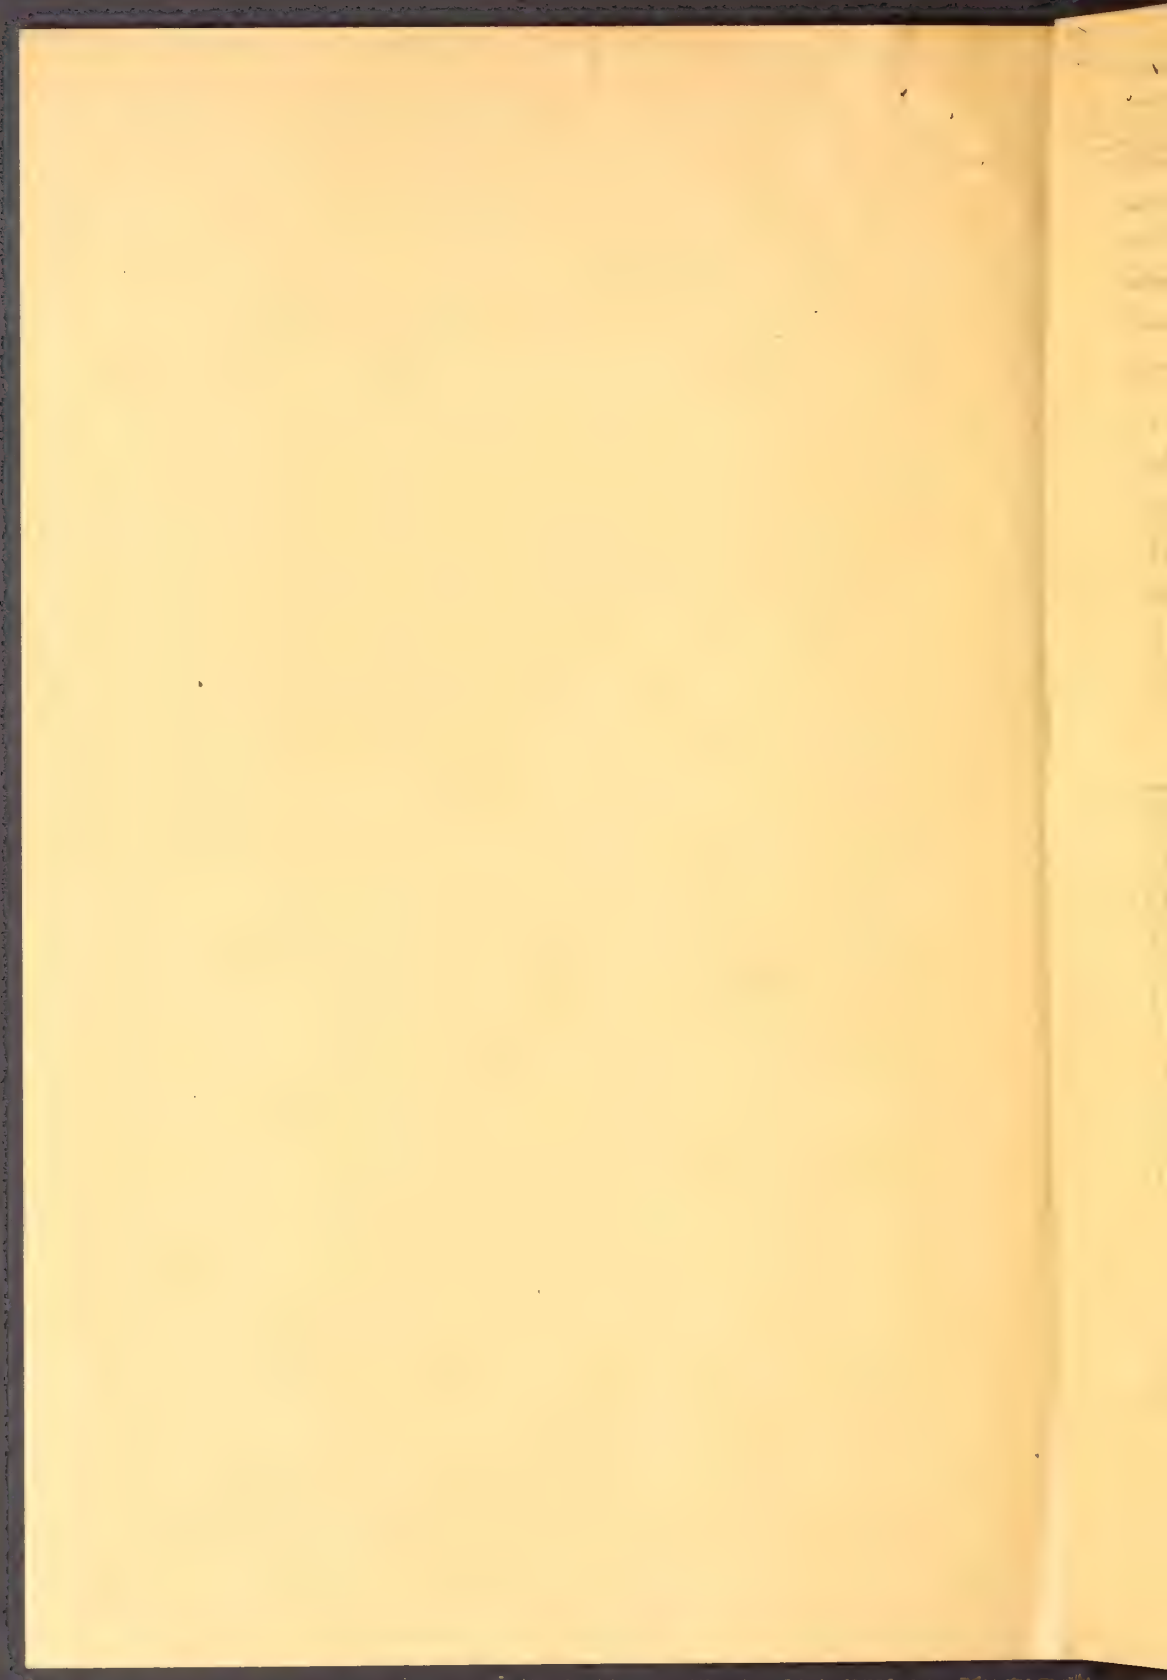

Wishing you a Merry Christmas and a Happy New Year,

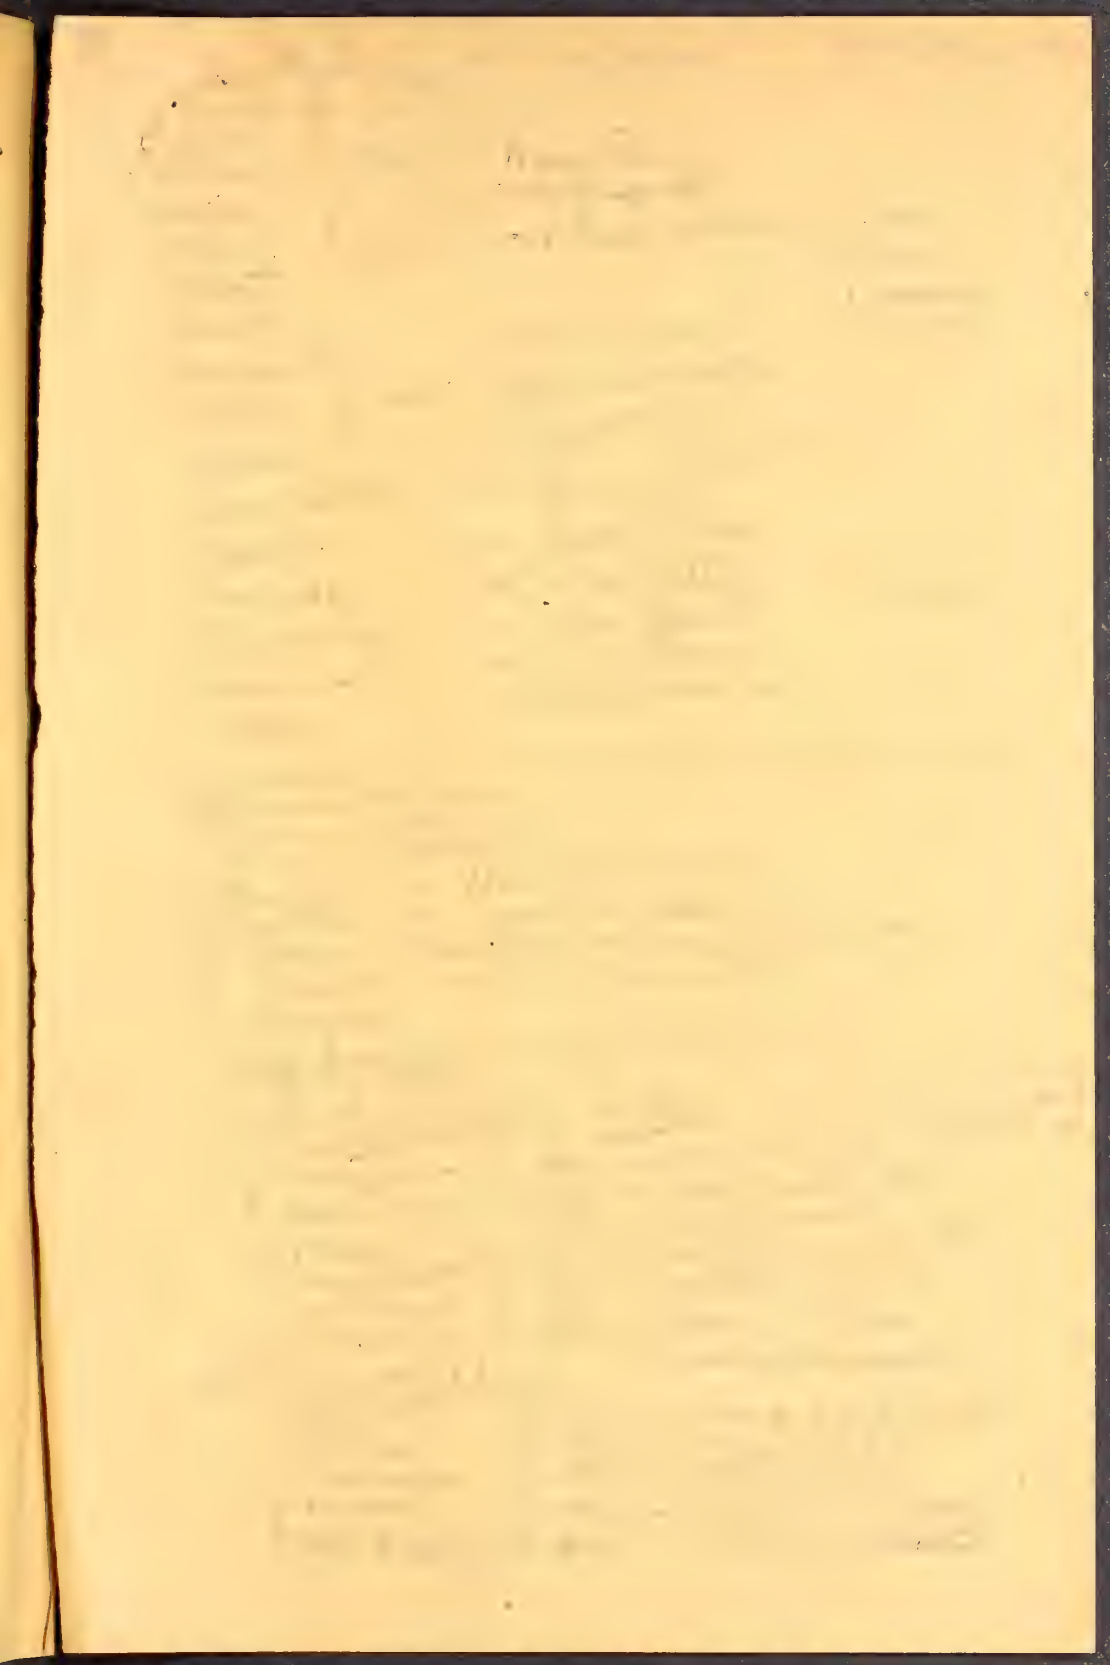

Sincerely

A. H. Gibbard.

Dear Mr. Garrison -

While Elisha was looking
up the letter yesterday, I was
the same of some letters and
found the enclosed sheet.

I am awfully sorry, but noting
the date of the letter, I was
very busy at that time, &
must have laid it away
and forgotten it completely.
I have then tried to make it
up, and hope you will
forgive me.

Very
sincerely

OBITUARIES

MRS. MAGNUS BEGG

Daughter of the late Dr. and Mrs. Charles M. Sandford of Brighton, Harriett Elizabeth Maud Irene, widow of Magnus Begg, died at her home, "Crest Hill", in Brighton, on Thursday, April 24, 1947, at the age of forty-eight, following an illness of only one week. She was born in Brighton and had lived here all her life.

Educated in Brighton and at Havergal College in Toronto, she was a member of Trinity - St. Andrew's United Church in Brighton and was an active worker in the Evening Auxiliary and Group Two of the Missionary Society of that church. She was also a member of the Eastern Star Chapter in Brighton.

Surviving are her aunt, Miss Margaret Ferris, with whom she lived. Her husband predeceased her earlier this year.

The funeral service was held from her home at 3 o'clock on Saturday afternoon, April 26, Rev. J. E. Anderson of Trinity - St. Andrew's United Church officiating. Entombment was in the family mausoleum at Mount Hope Cemetery, Brighton. Pallbearers were Messrs. Edwin Nesbitt, Will Nesbitt, Jesse Wheeler, Ray Freeman, Paul Arnoldi and Dr. Frank Dunnett. Honorary pallbearers who carried the floral tributes were Miss Lola Adams, Mrs. Clayton Farrow, Miss Lena Mae Edwards, Mrs. Lorne Lockwood, Mrs. Jim Hulin, Miss Reta Nix, Mrs. Elwood Adams, Mrs. Russell Semple, Mrs. Ross Sherwin, Mrs. Ralph Emeny, Mrs. Alfred Scott, Mrs. Roy Anderson, Mrs. Leah Davidson, Miss Hilda Montgomery, Mrs. J. E. Anderson and Mrs. Helen Dixon.

The following relatives from out of town attended the funeral: Miss Nora Snelgrove, Mr. Marshall Dean, Mrs. H. P. Snelgrove, Mr. Robert Snelgrove, Mr. and Mrs. P. F. Webb, Mr. Earl Sandford, Mr. Francis Sandford, of Toronto; Mr. and Mrs. Stuart Webb, Cobourg; Mr. Dorman Sandford, Detroit.

Her many friends in and around Brighton were deeply shocked and grieved at the sudden passing of one whom they had known so well for so long. The kindly, friendly disposition of Mrs. Begg made her a friend to all and she will be greatly missed throughout the community.

- Just Wondering -

1. I wonder whether the waves know the same sea
As when we were children playing by the beach,
Or if the waves still say for us in Spring tide
I am just wondering
You are just wondering

There -

It may be just my imagination
But somehow, I fancy you know too
That something from the spot is calling us together;
We might be a sore throat
It is just the way
And when again it reminds the soul
That whispering - oh don't you know it?
Do you remember
Since you came
I am just wondering, if you are wondering too

2. I wonder whether the waves go to sleep now

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound or foam,
When that which drew from out the boundless
deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell
When I embark.

For though from out our bourne of time and
place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Beloved wife of the late Edward J. Sanford of Brighton; kind mother of Frank and Earle of Toronto. Passed away at Toronto, Ontario, on Sunday, May 25, 1947, in her 86th year. Resting at the Ridley Funeral Home, West Main Street, Brighton, where the funeral service will be conducted on Wednesday, May 28, 1947, at 2.30 p.m. Interment at Mount Hope Cemetery.

The 23rd Psalm

The Lord is my shepherd: I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I shall dwell in the house of the Lord for ever.

I think this is lovely paper.
I only wish I could be of

"Atlas" is the name. I also
called Mrs. (M) Crowe. & she

I could have been but she
couldn't find anything
about Asa Weller.
There was a piece about the
Companions & Asa Weller in the

was visiting Boston & her
mother was Mrs. Bingham & was a
relative of your father - her husband
being George Bingham Weller. &

he comes in the picture.
Grandfather Weller had the

it & he said he would
burn it before they would
get it. As Stella's father
took all Grandfather's property
so he must of destroyed it.
There is a book in Union Library

He told me there was a story
about Esau Weller, no

Dorinda's Malta. Stella always
lets her you are not the original
Weller's. She said there was 2
or 3 Asa Weller's + 3 Weller
Crests - as she wrote to Papa
for the Crest + they ask her
what one. Stella has one
I have ask several times for
it but never got it + kept
writing Arthur for it. I think
he would know more how
to. I can just remember a
few things. Grandfather told

Jessie's oldest sister was Mamie + she married Archie Abbott a lawyer at Trenton + died 2 years later

Just a tip: the book 'Bay & Gunter Bayalists' is full of incorrect information. Will tell you about it later. The old 'Atlas' is more dependable, but we want more complete names and dates. If you know of any cousins' addresses I do not mind writing. Hope I have given you enough 'Home-work' for a while.

Stella Florence Louise Proctor, died on July 4th in Brighton at the age of 87. The Order for the Burial of the Dead was read in St. Paul's Church, Wednesday, July 6th, at 3 p.m., with a large congregation present, including members of the Woman's Auxiliary. The interment took place at Mount Hope. Miss Proctor, born in Brighton was a faithful member of this parish. She was responsible for a strong branch of the Woman's Auxiliary whose supper meeting she attended in the Parish Hall on June 15th. We give thanks to Almighty God for her life and witness.

The last hymn this morning, by the Reverend Charles Wesley reminds us that the Church of God is not limited to the Church Militant (here on earth) but includes a great host of those who have died constant in the faith.

1. The first group of people who are interested in the study of the history of the world are the historians. They are people who study the past and try to understand what happened and why it happened. They use a variety of sources, including books, documents, and artifacts, to reconstruct the past. They also try to understand the people who lived in the past and how they thought and felt. Historians are interested in the past for a variety of reasons. Some are interested in the past because they want to know what happened and why it happened. Others are interested in the past because they want to understand the people who lived in the past and how they thought and felt. Still others are interested in the past because they want to learn from the mistakes of the past and avoid them in the future.

Dear Friend Freeman

Did you say "patient friend"; Well it no doubt applies to you, but I rather doubt being worthy of the title.

I'm a little impatient today as I ran a heavy spike nail in the end of my right thumb three days ago, and the dressing impedes writing, which with me was never too good at its best.

Well I'm sorry I didn't write you at once, when your dear good mother passed away. I felt sure the information I sought would soon come, but it was much delayed. I really admired the wording of your letter. You did love her ever so much. None could doubt it.

Every line shone with the radiance of love and sorrow both. The combination creates a halo.

God rest her soul, and may the saints reward you for your care of her fading hours!

Well friend Freeman, my letter to Milder Sack was never answered. Most likely forgotten. Then I wrote to Victoria B. C. and promptly got the birthday I desired. In the meantime, I wrote two different sisters in Toronto before I got Mother's wedding day, which I was sure was recorded in the old family bible there.

Then I lacked a date off the family tombstone and didn't have a chance to get it till Friday.

If I have failed you in time maybe I can over rule that by having the list complete.

Spring pounced on us with a bang the same as last year, and sap season was short, but we got some fine sealers put away.

It seems like a family tradition to tap the sugar maple. I haven't missed many seasons in 50 years

I havint written to Percy lately, but will ask him to send you a copy or the original of Eileens obituary, which I am sure he will be glad to do.

To be honest I contracted the early last February and barely have it shaken off yet. so I have only managed to answer part of the letters I should have written.

We hope the season will send an opportunity to pay you a visit and am thanking you heartily for the invitation.

Dear Friend Freeman

It is several moons since I wrote you. Please forgive my delay. Excuses are lame at best.

The time for Percy's visit and mine came and went. I thought of you all. Your letter was very bracing, and kindly worded. Not many can put their thoughts into words better, and I thank you for your courtesy. I thought to have answered sooner. Last night a much delayed letter came from Percy's wife. She was his second wife. Her last name was Eva Wiggles, and she was also twice married. I had written her, also Annie Weller, Percy's only surviving sister. She has now gone by plane to Vancouver to nurse her deceased sister Florence's ^{only} daughter through a maternity case. Annie is a practical nurse, with considerable experience and I believe success. She last nursed for Percy when his first wife Marian died for many years, and raised little Bobbie. Annie was very beautiful, but never married. Probably few had her rare beauty and complexion.

I hope you are keeping well. My own staying powers seem to be limited lately. Mrs Weller just returned from a week

rest in Toronto at my Sister Gertrude's home.

Could you arrange sometime to visit us here. I usually spend Sept & Oct. in Saskatchewan. This year the harvest is pressing us and we have still more hay. Have finished cutting wheat and oats but barley is almost waiting.

I have 200 acres of crop in Saskatchewan and have made the trip there every fall for many years. My first trip there being 43 yrs ago. We have several bumper crops recorded 442, 43, 44, all being excellent.

By the way I came across this letter on a letter file. From Muriel Weller of Kansas. She had sent it to Mrs Weller who had given abstracts of the Weller research at an Institute meeting.

I may have told you, we lost all the manuscripts in a bad storm, one night we had some real trouble. I had to write and tell her this, and I have never heard from her since. Perhaps she is still waiting. I just neglected sending her my findings, as many months passed in collecting information. Then I forgot and didn't know I had filed the letter. Maybe you know her well. I sometimes wonder if she still wants information.

Yours faithfully
Edith Weller

please spread these few lines

Warsaw. Dec. 4/34.

Dear Madam.

At the recent Institute Convention in Toronto, Miss Appleby, in giving her report on Historical Research, gave your address as having, in your District, a paper on "Establishing the Weller family in Canada."

We have searched for this information for some time and was wondering if you could get the paper for us and send it to me.

There seemed to be two branches of the family one at Carrington Place, (near Trenton) and one in the western part of the province but we have never been able to trace it.

Will you please see what you can do and let me know as soon as possible.

Thanking you and wishing your Institute work every success

I am yours sincerely

(Mrs. Geo) Muriel Weller.

Dear Friend Freeman -

Maybe I should say bro.
or Nephew Uncle or even Grand dad. Now
that the feminine gender is set aside.

Well just as we gained one new relative we lost
one. poor Eileen died on Dec. 3rd. and was
buried at Lake View Cemetery, Meaford. She had been
quite insane most of the time for several months
due to high blood pressure. It was a heavy blow to us
all, as Eileen was one of the truest patriots of the
whole clan.

Percy Weller declares he is going to motor to
Brighton next summer, and says he is going
to call for me, and won't take no for an answer.
Some of the information you asked for has been
slow in coming. My first letter to Toronto didn't have
any results. Two days ago I had a letter from
Sask. but I have to write again as only part of
the information came. I am sorry to be so slow, but
holiday time came along and along with the funeral
much time was taken up. You see all the Wellers
don't worry about research, so I am forced to
write again to Toronto, where the old family bible
is and I feel sure mother's wedding day is
recorded there, if only I can get some one there to
look it up.

The only flawery part to it is that it keeps us
writing and maybe some day we will be acquainted

I sent Percy Weller my copy of some records of his branch of the family, so at present am out of records except in my memory.

You can keep the papers I sent till you are satisfied that you have no further need of them. Maybe a few months would suit you best.

I was asked for part of the story that relates to the Georgian Bay incident, but near spring would do for that.

My sister in Sask. said in her letter "Who is this Greenman fellow anyway"?

There was a few lines written to the memory of Eileen in one of our papers. I managed to get three copies but sent them to different relatives. I wish I had saved one for you. I have no doubt Percy would save the one I sent him.

Well old times please excuse these few dry paragraphs. Some day I have more vim for writing. I will send you typed pages to you soon as possible.

Hoping you and your mother are well

I remain very sincerely yours

Ada S. Weller

Dear Sir

Your letter to Miss
Eileen Cleland was handed to
me a few days ago and I regret
to inform you that she developed
a mental condition about
the first of June and was
placed in the Ontario Hospital
in Hamilton September 28.
Miss Cunningham with
whom she had made her
home for three years took

2
care of her through the
winter but it was getting
more difficult all the time
and it was decided by her
husband and her doctor that
it was best to have her taken
to Hamilton.

I have been looking after
her letters since she has not
been able to do so, but was out of
town when you came.

Yours truly

Edith Butchart

Dear Mr Freeman:

I received your letter of Oct. 21 and will be glad if any information I can give you will be helpful.

Mrs Barber had three sons all of whom are dead, but there is a daughter who might have some family records.

Mr Asa Heller and two sisters family of Mr Elmer Heller are living also a Mr Percy Heller but I am not sure what his father's name was, but I am sure any of them would be glad to give you any information they may have.

Miss Cleland may have some family records and when her papers are available if any are found I know they will be put at your service. I mentioned the matter to her uncle Mr J. H. Cleland and he has no knowledge of anything of the kind now.

The addresses of the family I have mentioned are enclosed

(Mrs Wm Butchart)

Yours Sincerely

Edith Butchart
